

2012 FC Ireland.com Sponsorship Appeal

Since 1994 we have had our share of successes in open men's leagues and tournaments. 2003 thru 2012 has seen the Club win two Gold Cups, runners up three times and one Silver Cup victory in the annual Sacramento Gold Cup Open Division. Additionally we have won Open leagues in the city of Folsom, Metro City Soccer and In the Net indoor arena's in league & tournament play. Sponsoring this club will gain your company community exposure to a wide demographic. Our players range from 18 to 40+ of all races playing in excess of 120+ games a year thru the Club teams, all across the greater Sacramento valley and social media like Facebook.
